INDEPENDENT AUDITOR'S REPORT

Board of Directors Lone Star Securities, Inc.

We have audited the accompanying statement of financial condition of Lone Star Securities, Inc., as of September 30, 2009, and the related statements of income, changes in stockholders' equity, changes in liabilities subordinated to claims of general creditors, and cash flows for the year then ended that you are filing pursuant to rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as we'll as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Lone Star Securities, Inc., as of September 30, 2009 and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was made for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in the Schedules I and II is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

The accompanying notes are an integral part of these financial statements.

Notes to Financial Statements September 30, 2009

Note 1 - Summary of Significant Accounting Policies

Lone Star Securities, Inc. (the "Company") is a direct participation broker-dealer in securities registered with the Securities and Exchange Commission under ("SEC") Rule 15c3-3(k)(2)(i). The Company is a member of the Financial Industry Regulatory Authority ("FINRA"). Substantially, all the Company's revenues are generated from the sale of oil and gas development programs. The Company's customers are located throughout the United States.

Compensated absences have not been accrued because the amount cannot be reasonably estimated.

The Company follows the practice of capitalizing at cost, all expenditures in excess of \$500 that are determined to be acquisitions of property or equipment or improvements to existing property or equipment. Depreciation is provided on the straight-line method over the estimated useful lives of the assets. Buildings and leasehold improvements are estimated to have lives of 39 years. Equipment, furniture and fixtures, and vehicles are estimated to have lives of 5 to 10 years.

Income taxes are provided for the tax effects of transactions reported in the financial statements and consist of taxes currently due. The provision for federal income taxes differs from the expected amount using statutory rates because certain expenses included in the determination of net income are non-deductible for tax reporting purposes. Deferred taxes are also recognized for operating losses that are available to offset future taxable income, subject to a valuation allowance.

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

For purposes of reporting cash flows, the Company has defined cash equivalents as highly liquid investments, with original maturities of less than ninety days that are not held for sale in the ordinary course of business.

Notes to Financial Statements September 30, 2009

Note 2 - Net Capital Requirements

Pursuant to the net capital provisions of Rule 15c3-1 of the Securities Exchange Act of 1934, the Company is required to maintain a minimum net capital, as defined under such provisions. Net capital and the related net capital ratio may fluctuate on a daily basis.

At September 30, 2009, the Company had net capital of approximately \$16,059 and net capital requirements of \$5,000. Company's ratio of aggregate indebtedness to net capital was .93 to 1. The Securities and Exchange Commission permits a ratio of no greater than 15 to 1.

Note 3 - Possession or Control Requirements

The Company holds no customer funds or securities. There were no material inadequacies in the procedures followed in adhering to the exemptive provisions of (SEC) Rule 15c3-3(k)(2)(i).

Note 4 - Income Taxes

On December 30, 2008, the Financial Accounting Standards Board ("FASB") issued FASB Staff Position ("FSP") No. FIN 48-3, "Effective Date of FASB Interpretation No. 48 for Certain Nonpublic Entities" which permits the Company to defer the implementation of FASB Interpretation No. 48, "Accounting for Uncertainty in Income Taxes" ("FIN 48") until its fiscal year beginning October, 2010. FIN 48 clarifies that management is expected to evaluate an income tax position taken, or expected to be taken, for likelihood of realization, before recording any amounts for such position in the financial statements. FIN 48 also requires expanded disclosure with respect to income tax positions taken that are not certain to be realized. The Company has elected to defer the implementation of FIN 48 while the FASB develops guidance on the application of FIN 48 by pass-through entities and amends the disclosure requirements for FIN 48 for nonpublic enterprises.

Management evaluates income tax positions based on a predetermined threshold of whether the positions taken will be sustained on examination. Uncertain tax positions are reduced by a liability for a contingent loss that is recorded either when the threshold is no longer met or when it becomes probable that a payment will be made to the taxing authority.

Notes to Financial Statements September 30, 2009

Note 4 - Income Taxes, continued

The tax benefit from the net operating loss carryforward of approximately \$112,655 has not been reported in these financial statements because the Company believes there is at least a 50% chance that the carryforwards will expire unused. Accordingly, the tax benefit has been offset by a valuation allowance of the same amount. The following reflects the changes in the tax benefit:

	Deferred		Deferred
	Tax Asset	Current	Tax Asset
	September 30,	Period	September 30,
	2008	<u>Changes</u>	2009
Federal	\$.,500	\$ 15,400	\$ 16,900
Valuation allowance	(,500)	_(15,400)	(16,900)
Amount per balance shee	et <u>\$0-</u>	\$ -0-	\$ -0-

This operating loss carryforward will expire as follows:

Year Ended	
September 30,	
2028	\$ 9,985
2029	102,670
	<u>\$ 112,655</u>

The Company has recorded a deferred tax liability of \$1,256 related to the change from the cash to accrued methods for federal income tax return reporting.

Note 5 - Related Party Transactions/Economic Dependency

The Company is related to Harbor Resources, L.L.C. and Riley James Development Corporation ("Affiliates") through common ownership and management. Joseph H. Ireland is the President, Chairman of the Board of Directors, and principal stockholder of both these companies. During the year ended September 30, 2009, the Company received commission and due diligence income in the amount of \$20,579 from Harbor Resources, L.L.C. and \$173,773 from Riley James Development Corporation.

Notes to Financial Statements September 30, 2009

Note 5 - Related Party Transactions/Economic Dependency, continued

The Company and its Affiliates are under common control and the existence of that control creates operating results and financial position significantly different than if the companies were autonomous.

The Company is provided office space, office facilities and administrative expenses from an affiliate. Effective May 1, 2009 the Company entered into a facilities and services agreement with an affiliate. Per the agreement the affiliate and the Company will simultaneously invoice each other for indirect expenses paid by the affiliate as allocated to the company. For the year ended September 30, 2009 the Company recorded \$376,909 in reimbursement income and \$376,909 in overhead expenses related to this agreement.

The Company is economically dependent on its affiliate.

Note 6 - Callable Redeemable Preferred Stock

Upon the consent of two members of the Board of Directors of the Company, the Company may at any time redeem the whole, or from time to time redeem any part, of the preferred shares outstanding by paying in cash the sum of \$52.45 per share.

Note 7 - Employee Benefits

The Company has a 401(k) savings plan for all employees who have completed one month of service. The plan allows the Company to make discretionary matching contributions, as well as additional discretionary contributions. The Company made contributions of \$-0- to the plan for the year ended September 30, 2009.

Note 8 - <u>Property and Equipment</u>

The classes of property and equipment are as follows:

Leasehold improvements	\$ 3,393
Less: accumulated amortization	 (736)
	\$ 2,657

Amortization expense for the year ended December 31, 2009 was \$87 and is reflected in occupancy and equipment costs.

Notes to Financial Statements September 30, 2009

Note 9 - Subsequent Events

In preparing the accompanying financial statements in accordance with Statement of Financial Accounting Standards ("SFAS") No. 165, "Subsequent Events", the Company has reviewed events that have occurred after September 30, 2009 through November 9, 2009, the date the financial statements were available to be issued. During this period, the Company did not have any material subsequent events.

EXEMPTIVE PROVISIONS

The Company has claimed an exemption from Rule 15c3-3 under section (k)(2)(i), in which the Company is a direct participation broker-dealer.

Independent Auditor's Report
on Internal Control
Required By SEC Rule 17a-5
Year Ended September 30, 2009

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL REQUIRED BY SEC RULE 17a-5

To the Board of Directors of Lone Star Securities, Inc

In planning and performing our audit of the financial statements and supplemental information of Lone Star Securities, Inc.(the "Company"), as of and for the year ended September 30, 2009 in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by rule 17a-5(g)(1) of the Securities Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in rule 17a-5(g) in making the periodic computations of aggregate indebtedness and net capital under rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

- 1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by rule 17a-13
- 2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with

management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the entity's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the entity's financial statements that is more than inconsequential will not be prevented or detected by the entity's internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the entity's internal control.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at September 30, 2009, to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, the Financial Industry Regulatory Authority, and other regulatory agencies that rely on rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

CF & Co., L.L.P.

Dallas, Texas November 9, 2009 Independent Auditor's Report

On The SIPC Annual Assessment

Required By SEC Rule 17a-5

Year Ended September 30, 2009

INDEPENDENT AUDITOR'S REPORT ON THE SIPC ANNUAL ASSESSMENT REQUIRED BY SEC RULE 17a-5

To the Board of Directors of Lone Star Securities, Inc.

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments [Transitional Assessment Reconciliation (Form SIPC-7T)] to the Securities Investor Protection Corporation (SIPC) for the year ended September 30, 2009, which were agreed to by Lone Star Securities, Inc. and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc. and SIPC, solely to assist you and the other specified parties in evaluating Lone Star Securities, Inc.'s compliance with the applicable instructions of the Transitional Assessment Reconciliation (Form SIPC-7T). Management is responsible for Lone Star Securities, Inc.'s compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

The procedures we performed and our findings are as follows:

- 1. Compared the listed assessment payments in Form SIPC-7T with respective cash disbursements records entries (cash disbursements journal) noting no differences;
- 2. Compared the amounts reported on the audited Form X-17A-5 for the year ended September 30, 2009, as applicable, with the amounts reported in Form SIPC-7T for the year ended September 30, 2009 noting no differences;
- 3. Compared any adjustments reported in Form SIPC-7T with supporting schedules and working papers noting no differences;
- 4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7T and in the related schedules and working papers supporting the adjustments noting no differences; and

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
